Grateful Patient and Families Program

Often, patients and their families want to know how they can show their appreciation to a caregiver who went above and beyond. One way to express gratitude is to make a charitable gift to Swedish Covenant Hospital to honor those who have made a difference in your care.

HOW ARE GIFTS OF GRATITUDE USED?

Your gift will not only show your appreciation, it will help Swedish Covenant Hospital continue to meet the needs of our community. As a not-for-profit organization, Swedish Covenant Hospital fulfills its mission through the generosity of friends, grateful patients, neighbors and business leaders who believe in enhancing care to help more than 95,000 patients served annually.

Philanthropic support has provided many positive benefits to our patients and the community, including increasing access to mammograms, providing medications to patients who otherwise could not afford them and providing nursing education.

LEARN MORE ABOUT SPECIAL GIVING OPPORTUNITIES

Some patients and families wish to make larger gifts to specific areas. Others give through planned gift arrangements that allow them to give more or to receive additional tax or estate planning benefits. To learn more about special giving opportunities, contact Foundation@SwedishCovenant.org.
